Josh:

This is what Downey asked for. Before I create all the maps, I wanted to see what you think. It's as basic as it can get.

Good Morning Brian,
Do you think you can make these maps today? Feel free to give me a call if you have questions.

Need 4 Maps.

- 1 with BENM as it exists
- 1 with BENM as it will look after proposed modification
- 1 with GSENM as it exists
- 1 with GSENM as it will look after proposed modification

Lets take out the charting of objects and the different color schemes for different land ownerships. Need to be very simple- boundaries should be filled in- no slant lines.

Thanks
